Dear Amelia,

Resurfacing of tennis and netball courts at Taunton School

I just wanted to drop you a quick line to say thank you for the works recently carried out here at Taunton School. From my point of view the works were carried out quickly, efficiently and with minimal disruption to the school activities.

The site was kept clean and tidy throughout the works and left in an immaculate condition.

The operatives were courteous and worked safely and considerately alongside our daily activities and we would definitely endorse Soft Surfaces to another school looking to place a similar order.

Yours sincerely,
